

May 14th, 2020

Greetings from your OACAS executive. As a follow up to our last Province wide zoom meeting we wanted to take a minute to assure members and non-members that we have increased access to the zoom platform. This will allow further participation in consultation with the Executive team and Ministry Representatives.

On May 28th at 1:00 pm you will have an opportunity to join the zoom meeting prior to Ministry Officials joining us at 2:00 to ask specific questions around the enrollment register/student success. If you are interested in attending this meeting please email Marsha Sylvia OACAS secretary at marsha.sylvia@ucdsb.on.ca and request to be added to the invite list. If you are a non-member this will ensure that your name will go into a membership draw to take place during our virtual meeting.

This venue will allow Attendance Counsellors and School Social Workers to connect with each other and ask questions specific to the enrollment register during COVID and best practices around student engagement/mental health and well-being.

As President of the OACAS I will be moderating questions that participants have from across the Province. Any responses to questions will not be shared outside of this venue unless vetted and approved by those in attendance. This forum will allow those in attendance to also meet the entire OACAS executive and Ministry of Education Officials including Christine Riedel the Provincial Attendance Counsellor.

Once the zoom link has been created it will be provided here on the OACAS website.

With warm regards for your safety and well-being,

Glenda Carleton
President, OACAS
